

We are excited to serve you and are committed to protocol to ensure the safety of our guests and team-members. All our locations across the country currently have these policies in place:

- Maintaining social distancing by staying 6 ft apart from our guests and coworkers whenever possible
- Plexiglass barriers in areas where our staff and customers are unable to stay 6 feet apart
- Daily staff screening for symptoms of Covid-19 including taking each team member's temperature before they are allowed to begin their shift
- Wearing face coverings correctly and at all times
- Wearing gloves and changing them frequently
- Frequently sanitizing commonly touched surfaces with food safe cleaning products
- Offering QR code and digital menus where available
- Limited dining room seating to ensure 6 ft of distance between our dine-in guests
- Floor signage marking safe distances in our queing lines
- No personal drink containers to be used with our fountain machines
- No self-service options for food/beverages
- Customer operated credit card machines at all our locations
